

Application form and photo requirements

1. The application form must be printed on A4 paper:

- Open file in Adobe Reader Version 9.0 (freeware at www.adobe.com).
- Choose „Print“ in File menu and choose in **page handling**:
 - a) Page Scaling: **None**
 - b) Auto-Rotate and Center: **not activated**
 - c) Choose paper source by PDF page size: **activated**

2. The application form must meet the following requirements:

- The form must be filled out in capital letters using a black pen or a computer or a typing machine. Using ink pens is not allowed.
- In each cell of the form you can put only one letter or digit.
- Writing must be well legible.
- **Questions 1-7** must be answered by all applicants.
- **Question 8** is to be answered if you know what kind of visa you are requesting.
- **Questions 9-11** must be answered by all applicants.
- **Question 12** is to be answered if you have already visited Russia before.
- **Questions 13-14** must be answered by all applicants.
- **Question 15** must be answered by all applicants (valid medical insurance required). Check YES and fill in your policy number and the name of the insurance company.
- **Question 16** is to be answered if you are travelling with your children that are registered in your passport. If your child has a passport of his/her own, a separate visa application form must be presented.
- **Questions 17-21** must be answered by all applicants.

3. Your photo must meet the following requirements:

- Size: 35 x 45 mm (width x height).
- Picture must be taken within the last 6 months.
- The photo must be clear, well defined and taken against a plain white or off-white non-patterned background.
- The head must be centered in the picture and include top of the shoulders.
- You must directly face the camera, in a full front view.
- The facial expression must be neutral, the mouth closed.
- Both eyes must be open, no tinted lenses or sunglasses.
- The photo must be glued on the application form at the reserved space only.

4. The signature must not exceed the reserved signature field.
